Empowering Communities.
Restoring Hope.

Join us in commemorating 51 years of community impact, resilience, and a shared purpose. We, at Discipleship Centre invites you to **be part of our story** by contributing to a unique initiative: **our fundraising Souvenir Book.**

Your support matters!

A Souvenir that Gives Back

Discipleship Centre has been committed to uplifting underserved communities through **education, health, livelihoods, and disaster response initiatives** for over five decades across India.

We're marking 51 years of impact with a special souvenir book. This isn't just a book—it's a **symbol of impact** and a practical way to:

- Honor DC's legacy since 1974
- Share stories of resilience
- Support people with disabilities

The funds will **support school-going children and people with physical and learning disabilities** at Madhanpur Khadar slums, South Delhi. They receive **inclusive education, medical support, mobility aids, and skills training** through a holistic, community-based approach. While over 300 children are served across our centres, this effort will **strengthen a focused program**.
